

# GRAMMAR for BEGINNERS

## Contractions

Remember:

We put an apostrophe in the position of the letter(s) we have dropped!

'

I am = I'm    You are = You're  
He is = He's    She has = She's  
Let us = Let's  
He would = he'd  
That is = That's  
Will not = won't  
Does not = Doesn't

In writing, the apostrophe takes the position of the missing letters.
