How Many Ducks in the Pond Worksheet 2a

Write numbers in each square to complete the story.

There are  ducks swimming in the pond.

more ducks come to swim.

Now there are  ducks swimming in the pond.

$$\begin{array}{c} \text{duck} \text{ duck} + \text{duck} \text{ duck} = \text{input box} \text{ duck} \\ \text{'s} \quad \text{input box} \end{array}$$

Cut out the ducks and glue them in the pond.
